POLICY ON DETERMINATION OF MATERIALITY OF EVENTS

I. BACKGROUND AND APPLICABILITY OF THE POLICY

SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**Regulations**") requires every Listed Company to disclose events or information which, in the opinion of the Board of Directors of a Company are material.

In this context, the following policy has been framed by the Board of Directors ("**Board**") of Captain Polyplast Limited ("**Captain Polyplast**" / "**Company**") at its meeting held on December 14, 2015 with the objective of determining materiality of events.

1. Regulation 30 of the Regulations mandates disclosure of all *deemed* material events to the Stock Exchanges. These events have been specified in Para A of Part A of Schedule III of the Regulations and shall be disclosed as applicable from time-to-time.
2. For disclosure of certain events (as specified in Para B of Part A of Schedule III) to the Stock Exchanges the following criteria shall be considered by the Board for determining whether the events are material or not:-

Where the omission of an event or information, is likely to result in:

- a) discontinuity or alteration of event or information already available publicly or
- b) a significant market reaction if the said omission came to light at a later date.

In cases where the criteria specified in point (a) and (b) are not applicable, an event/information may be treated as being material if in the opinion of the board of directors of the Company the event / information is considered material.

This Policy shall also apply to the events to which neither Para A or Para B of Part A of Schedule III applies but have a material effect on CPL.
